

KID'S COLLEGE

July 7-10, 2014 8:45am—12:30pm

Monday-Thursday, 8:45 a.m. - 12:30 p.m. (unless otherwise stated)

Sign in Fields' Auditorium 8:00 – 8:45 a.m. each day

Fee: \$20 per session / \$55 for all 3 sessions

Lunch served each day at 12:30, provided by Maysville Housing Authority

Your child must be picked up each day by 1:00 p.m.

Ages 5-8 will attend the following classes each day.

Art with Mary Jo Shepherd

You're invited! Join us for a painting party guaranteed to stimulate that creativity deep within you. You will discover painting, mixing colors and designs. Bring a white t-shirt for tie-dye project.

Reading with Nicole Jackson

Come read "If You Give A Mouse A Cookie" and other hilarious sequels. Each day you will have activities and projects that come alive with the stories! Participants will visit the "Kids Section" at the MCTC Library.

Be A Chef With Gwen O'Cull & Dusky Ginn

Be A Chef will include reading a children's book and preparing the featured recipe. Becoming a Chef for your family, you can share cooking skills by making the recipe. Join in the fun with nutritional and physical activities, then taste samples of featured recipes.

Ages 9-13: Choose your sessions (Participants in this group may choose a class of their choice from each session listed on the registration form. Please list 1st and 2nd choices for each session).

Fish like a Pro with Bill Jones (max 12—outside/Field's Auditorium)

Throw a line, learn how to cast, tie knots, and change fishing lines. Learn about the types of rigs, fishing with live and artificial bait, best times and locations to fish, and how to select the proper equipment. Bring your fishing pole.

Creative Crafts with Courtney Howard

Each day you will make your own creative craft to take home. Bring your imagination and have fun! Make sure to bring your own White t-shirt for one of our crafts!

Mythbusters with Katelin Spiller

Students will uncover the truth about science in our everyday life. They will explore science through the eye of a world "Going Green." Students will complete projects and experiments including constructing a solar energy project and testing a true myth-buster experiment. Students are asked to dress accordingly.

Cosmetology with Megan Watson

Learn to make hair accessories and clip in color pieces. We will do hands on activities to explore the wonderful world of Cosmetology.

Music with Nick Denham

Learn about sound! We will sing, play, and dance! Understand how music is put together and how simple sounds can create works of beauty.

Around the World with Mollie Todd

Join Mollie as she takes you on exciting adventures around the world! Learning different cultures as you go. There will be art projects and hands on activities to enhance your experience.

Safe Sitter with Angie Boone, RN, Tracy Kielman, (max 15)

Safe sitter is a medically accurate, hands-on class that teaches boys and girls Ages 11-13 how to handle emergencies when caring for children. Babysitters must be able to handle whatever situation arises. Registration and payment of \$20 fee must be made by July 1. For boys and girls ages 11-13 Only. *NOTE: This class will end at 12:45pm everyday.

***An additional fee of \$20 covers the cost of the manual required for the Safe Sitter class.**
