Non Citizen / Alien:

- If you entered the United States for the first time after your 26th birthday, you must provide documentation to support your claim. If you entered the United States illegally after your 26th birthday, you must provide proof that you were not living in the United States from age 18 to age 26. Please note: your Resident Alien Card (Green Card) is not valid as proof of entry to the United States.

For example, if you entered the United States as an F-1 Student, and remained in that status until your 26th birthday, you would need to provide documentation indicating that you were admitted on an F-1 visa and attended school full-time as required. (Acceptable documents for this situation include copies of your I-20s or a letter from the school you attended indicating your full time attendance as a non-immigrant alien). The same thing applies for all non-immigrant statuses. You must explain, if at any point, you violated the terms of your visa, or overstayed your visa and became an undocumented alien.
