Academic Plan Code: 5110043019 **Academic Program Code:** ALH

Description:

The phlebotomist is an important member of the health care team who is taught through didactic, laboratory, and clinical experiences.

The phlebotomist collects blood and other specimens for testing in hospitals, clinics, physician's offices, laboratories, blood donation centers, and other health care facilities.

Notes:

1. A competency level of successful completion of MT 065, RDG 030, and ENC 091, must be attained for any certificate.

Minimum Scores

	Math	Reading	Writing
ACT	17	17	17
COMPASS	30 (Pre-Algebra)	80	64

2. For a directory of phlebotomy certification agencies and examination requirements, refer to the Center for Phlebotomy Education web site.

Course No.	Course Description	Credit Hours
