

Practical Nursing Program - PN Health Sciences Division

Program offered at:

Maysville Campus 606-759-7141 ext. 66253
Rowan Campus ginger.clarke@kctcs.edu
Montgomery Extension Associate Dean of Health
Sciences, Nursing Program Administrator

About the Program

The Practical Nursing Program prepares individuals to practice within the legal scope of practical nursing under the supervision of a registered nurse or physician. Use of the nursing process at the practical nursing level toward the maintenance of health and prevention of illness, the observation and nursing care of persons experiencing changes in their health processes, and the evaluation of health practices of patients are emphasized. Classroom instruction in theory and basic nursing skills is provided on campus. Clinical experience is provided in health care facilities.

Unique Requirements for Admission

Acceptance into the Practical Nursing Program is based on a selective admissions process. Requirements are:

- application for admission to college;
- official transcripts from each college or university previously attended;
- official high school transcript verifying graduation or official passing GED scores;
- recent ACT (or equivalent) scores of 18 or greater **or** COMPASS scores from Category I (COMPASS scores strongly preferred) and TEAS scores;
- attendance at one Pre-Admission Conference per admission cycle;
- must be on the Kentucky Nurse Aide Registry;
- current Red Cross or American Heart Association Healthcare Provider level CPR certification (online certification not acceptable).

Career Potential

Variety of health care settings, including hospitals, long-term care facilities, clinics, and child care centers.
