*Program pre-requisite courses must be successfully completed or in-progress to be considered for admission to NSG 101. Courses must be successfully completed with a grade of "C" or higher.

Students must have a 2.5 GPA to be considered for admission to NSG 101.

Acceptance into the Associate Degree Nursing Program is based on a selective admissions process. Requirements are:

- Official results of the ATI TEAS pre-admissions examination
- Attendance at one pre-admission conference per admission cycle
- Must be on the Kentucky Nurse Aid registry
- CPR certification must be maintained throughout the program
- GPA of 2.5 or higher overall
- Last day to apply for the RN program is March 1st to start the next Fall semester.
- LPNs entering the program in the spring semester must have all college and program admission requirements on file by last business day in Oct. I. Must have worked at the bedside one year in the last 3 years to receive advanced placement. Must have an unencumbered LPN license.

Students must have a 2.0 GPA to receive a credential.

At least 25% of total program credit must be earned at the institution awarding the credential.
